Optional accessories: Carrying System Bike Pannier, Outer Pocket 1,8 L, Mesh-Pocket, Bottle-Cage, Anti-Theft Device (No. E125), QL2.1 hook 18 mm (E211), QL2.1 hook 20 mm (E193)

Attention: Maximum load per pannier is 9kg / 20 lbs. We recommend weighing each loaded pannier to confirm that the maximum allowance of the pannier fixation is not exceeded. This practice is advised for both rear and front panniers. CAUTION: The maximum weight capacity of every carrier model is different. Please observe the maximum weight allowance of the carrier fitted to your bicycle. Note: Sometimes the maximum capacity of the panniers fixing system can exceed the maximum capacity of the carrier. DO NOT exceed the maximum capacity of the carrier! Note, that the use of panniers will significantly influence the handling properties of your bicycle.

Note: In order to meet standard IP53 (5=protected against dust, 3=protected against spray water coming from an angle of up to 60° to the vertical) the lid must be properly closed.
